

(j) *Recovery against Medicaid agency.* If a third party payment is made to a State Medicaid agency and that agency does not reimburse Medicare, HCFA may reduce any Federal funds due the Medicaid agency (under title XIX of the Act) by an amount equal to the Medicare payment or the third party payment, whichever is less.

(k) *Recovery against Medicare contractor.* If a Medicare contractor, including an intermediary or carrier, also insures, underwrites, or administers as a third party administrator, a program or plan that is primary to Medicare, and does not reimburse Medicare, HCFA may offset the amount owed against any funds due the intermediary or carrier under title XVIII of the Act or due the contractor under the contract.

(l) *Recovery when there is failure to file a proper claim.* (1) *Basic rule.* If Medicare makes a conditional payment with respect to services for which the beneficiary or provider or supplier has not filed a proper claim with a third party payer, and Medicare is unable to recover from the third party payer, Medicare may recover from the beneficiary or provider or supplier that was responsible for the failure to file a proper claim.

(2) *Exceptions:* (i) This rule does not apply in the case of liability insurance nor when failure to file a proper claim is due to mental or physical incapacity of the beneficiary.

(ii) HCFA will not recover from providers or suppliers that are in compliance with the requirements of § 489.20 of this chapter and can show that the reason they failed to file a proper claim is that the beneficiary, or someone acting on his or her behalf, failed to give, or gave erroneous, information regarding coverage that is primary to Medicare.

(m) *Interest charges.* (1) With respect to recovery of payments for items and services furnished before October 31, 1994, HCFA charges interest, exercising common law authority in accordance with 45 CFR 30.13, consistent with the Federal Claims Collection Act (31 U.S.C. 3711).

(2) In addition to its common law authority with respect to recovery of payments for items and services fur-

nished on or after October 31, 1994, HCFA charges interest in accordance with section 1862(b)(2)(B)(i) of the Act. Under that provision—

(i) HCFA may charge interest if reimbursement is not made to the appropriate trust fund before the expiration of the 60-day period that begins on the date on which notice or other information is received by HCFA that payment has been or could be made under a primary plan;

(ii) Interest may accrue from the date when that notice or other information is received by HCFA and is charged until reimbursement is made; and

(iii) The rate of interest is that provided at 42 CFR 405.376(d).

#### **§ 411.25 Third party payer's notice of mistaken Medicare primary payment.**

(a) If a third party payer learns that HCFA has made a Medicare primary payment for services for which the third party payer has made or should have made primary payment, it must give notice to that effect to the Medicare intermediary or carrier that paid the claim.

(b) The notice must describe the specific situation and the circumstances (including the particular type of insurance coverage as specified in § 411.20(a)) and, if appropriate, the time period during which the insurer is primary to Medicare.

(c) If a plan is self-insured and self-administered, the employer must give the notice to HCFA. Otherwise, the insurer, underwriter, or third party administrator must give the notice.

#### **§ 411.26 Subrogation and right to intervene.**

(a) *Subrogation.* With respect to services for which Medicare paid, HCFA is subrogated to any individual, provider, supplier, physician, private insurer, State agency, attorney, or any other entity entitled to payment by a third party payer.
